

Gunggari Aboriginal Property Association Inc Strategic Plan 2014-2019

Vision

Native title to sustainable wealth for the Gunggari peoples through acquisition and management of land, property, enterprise and cultural resources.

Association values

Financial integrity – manage the Association finances with integrity and compliance with the highest accounting standards

Open and regular communication – use technology to communicate regularly with our members, clients and the wider Gunggari community

Ethical and cultural practice – conduct the Associations business with visibly high ethics ensuring Gunggari cultural values are never compromised

Highlight Gunggari peoples – use the Association resources to always highlight the unique character and passion for excellence that is always demonstrated by the Gunggari community
